

Quotes About **CLIX™**

“... the greatest advance in wheel removal and retention that the bicycle industry has seen since the invention of the traditional quick release system.”

- **Pacific Cycle CEO**

"Solid engineering, double safety."

- ***Bike Europe Magazine***

"...Clix is simpler...fast and easy to use."

- ***Bicycling Magazine***

“The CLIX Wheel System is by far the best out of the bunch.”

- ***MTBR.com***

“... a rather brilliant (quick release) design”

- ***Adventure Cyclist***

“... literally fool-proof.”

- ***Bike Europe Magazine***

“... elegantly simple in design.”

- ***Adventure Cyclist***

“It (CLIX) seems to address every issue that QR’s have had in the past.”

- ***MTBR.com***

“...proper clamping force is always realized...”

- ***Bicycling Magazine***

“... impossible to try to use like a wing nut.”

- ***Adventure Cyclist***

“That is the beauty of the entire system. You no longer have to adjust the tightness of the skewer every time you reinstall the wheel.”

- ***MTBR.com***

“...really innovative...”

- ***Bike Europe Magazine***

“This one handed operation is correct every time.”

- ***MTBTrailReview.com***

“The almost 80-year run of Campagnolo’s original quick-release could be coming to a close.”

- ***Bicycle Retailer Magazine***

“Once [CLIX] is installed, there is no longer any need to adjust it ever again.”

- ***MTBR.com***
